I will provide all music and extra material as handouts.  
I expect students to practice during the week. Parents are welcome to attend.

## Ages:

Possible classes depending on interest:  
Kindergarten through 4<sup>th</sup> grade  
5<sup>th</sup> through 8<sup>th</sup> grade

## Music:

I will be teaching elementary violin playing and music theory. Students will learn how to correctly hold a violin and bow as well as how to play several pieces of music. I will include folk music, hymns, fiddle and classical selections. They will also learn about several of the great composers. I use games and fun to reinforce the concepts I teach. I plan on the class being a blast!

## Presentation:

I would like to offer a presentation of the students' accomplishments to friends and family. It will be voluntary, although I will encourage all students to participate.
