

K-2 Program Class Descriptions

The parent supplies standard materials such as 3 ring binder notebooks, dividers, pencils, rulers, scissors and calculators.

Fall Semester = 18 weeks
Spring Semester = 18 weeks

Program consists of all classes listed below not separately.

Tuesdays – 9:00am-2:15pm

Hands On Science

Grades: K-2

Class Description: 3-year cycle of hands on science activities and experiments.

Class Concepts: Plants, Life Cycles, Environments, Earth Science, Physical Science

Homework: none

Supplies Needed: science supplies included in tuition.

Time: 9:00am-9:30am

Curriculum: A Reason For Science B – parent purchases workbook

Math Games

Grades: K-2

Class Description: **The Primary Mathematics U.S. Edition series** of elementary math textbooks and workbooks is meant to be part of a system of learning in which adult supervision and independent practice go hand in hand. The main feature of this series is the use of the **Concrete> Pictorial>Abstract** approach. The students are provided with the necessary learning experiences beginning with the concrete and pictorial stages, followed by the abstract stage to enable them to learn mathematics meaningfully. This approach encourages active thinking process, communication of mathematical ideas and problem solving. This helps develop the foundation students will need for more advanced mathematics. Practice exercises are designed to provide the students with further practice after they have done the relevant workbook exercises. Review exercises are provided for cumulative reviews of concepts and skills. Math games will be utilized to reinforce math concepts.

Homework: daily

Supplies Needed: Supplies included

Time: 9:30am-10:00am

Curriculum: Singapore Math (take placement test to determine level to order), Hands on Math (provided)

Messy Art!/Recorder

Grades: K-2
